Shellfish Dept. Paul Bagnall, Warren Gaines, Rob Morrison,  
Others: Noah Scheffer  
Recorder - Marni Lipke

There was no quorum.

COMMERCIAL, FAMILY, AQUACULTURE LICENSE APPLICATIONS

Christian Thornton apologized for the inconvenience and endorsed Noah Scheffer's Aquaculture Wait List Application as submitted August 10, 2017. Mr. Scheffer was invited to the September 5th meeting and encouraged to consider any suitable new aquaculture lot locations outside Katama Bay.

DEPUTIES' & CONSTABLE'S REPORT

The Deputies reported the season was moving along as usual and so far no vibrio cases had been reported. They would be loading gravel and moving quahogs (good survival and growth) to Katama Bay and to the family area in Sengekontacket.

- Shellfish Constable Paul Bagnall described his difficulties getting water-testing results from the Great Pond Foundation.
