A meeting of the Board was held on the above date in the Fred B Morgan Jr. Meeting Room, Town Hall. Members present were Michael Donaroma, Chairman; Margaret Serpa & Arthur Smadbeck.

At 4:00 pm Mr. Donaroma opened the Nstar hearing to run line from pole 56/30 on Herring Creek Rd. under the road to Assessor's Map 36-30, 30 Metells Way. Present was Ms. Karen Corriveau, Nstar Right of Way Agent; Rob Young, Electrician to applicant; Mr. Stuart Fuller, Highway Superintendent; and Mr. Fred Domont, Water Superintendent.

Mr. Fuller asked that the roadway not be dug up because it is newly paved.

Mr. Young agreed to these requests and Ms. Corriveau had no issue with them.

Mr. Donaroma closed the hearing at 4:04pm. Ms. Serpa moved to approve the application with the stipulations agreed upon. Mr. Smadbeck seconded. Unanimous.

Ms. Dolby stated that she had heard many comments that Halloween in Town was very nice. A lot of the businesses had trick or treating in the daytime and a good time was had by all.

Mr. Donaroma asked Mr. Fuller about the activity out on Katama Rd. near the fork.

Mr. Fuller stated that while they were repaving they were moving the road over so that the grass separation between the road and the bikepath would be wider making it safer for those utilizing the path.

Ms. Serpa asked about the bus turnouts on Vineyard Haven Rd.

Mr. Fuller replied that there are 10 turnouts and that hopefully the busses will utilize them and the median will be able to grow grass again.

Ms. Serpa moved to adjourn at 4:12pm. Mr. Smadbeck seconded. Unanimous.
