REQUEST FOR QUALIFICATIONS:

The Town of Edgartown Dredge Advisory Committee, acting by and through the Chief Procurement Officer, invites qualified firms to submit proposals for coastal surveying and engineering services for the Town's Lighthouse Beach. The engineering services are required to survey and evaluate the area south of the Edgartown Lighthouse where sand is accumulating and threatening access into the Harbor. The goal of the project is to acquire the permitting to dredge the accumulating sand in order to maintain the navigational channel into the Harbor.

Proposals must be submitted, *sealed* and in writing, to the Town of Edgartown Procurement Office, Edgartown Town Hall, Third Floor, 70 Main Street (or mailed to P.O. Box 5158), Edgartown Massachusetts 02539, in a package plainly marked "*Proposal for COASTAL ENGINEERING SERVICES FOR PERMITTING TO DREDGE LIGHTHOUSE BEACH Ref DAC-17-14*" on or before 4:00PM, Thursday, October 13, 2016. Proposals will be publicly opened at that time by the Chief Procurement Officer and a witness. Award will be made within ten (10) days after the bid opening. The Town of Edgartown reserves the right to reject any and all proposals and to waive any informality in proposals received whenever such rejection or waiver is in its best interest.
