**EDGARTOWN CONTINUITY OF OPERATION PLAN (COOP)**

Dear Edgartown Community:

In response to COVID-19 the Town of Edgartown has activated their Continuity of Operation Plan (COOP) in order to maintain municipal services while proactively taking steps to slow the spread of the virus.

Effective Tuesday, March 17, 2020 until Tuesday, April 07, 2020:

- Edgartown Town Hall will be open on an appointment only basis.
- Edgartown Harbormaster Office, Shellfish Department, and Highway Department will be open on an appointment only basis.
- Edgartown Water and Waste Water Departments will be closed to the public.
- Edgartown Council on Aging will remain closed to the public, but provide, "take out" food through a service window as well as prearranged mobile delivery.
- Edgartown Library will remain closed to the public.
- Edgartown Police and Fire Departments will remain open, however we are encouraging residents to use discretion when seeking services, and to only come to the building(s) in an emergency.
- All public meeting will be held via teleconference or video meeting application.

Edgartown has electronic means of communicating via email or through telephone; bills may be paid online or dropped in the drop box in front of the Town Office Building and applications may be obtained online. An updated phone and email list is contained in the following pages. Please check our website for any future notifications: <https://www.edgartown-ma.us/>

We apologize for the inconvenience, but have full faith and confidence that our forward planning will minimize any disruptions.

Sincerely,

James Hagerty  
Town Administrator
