EMERGENCY ORDER OF THE EDGARTOWN BOARD OF HEALTH – ADOPTED July 9, 2020

Pursuant to the declaration of a public health emergency by the Governor of the Commonwealth of Massachusetts on March 10, 2020 (the “State”), and by the Town of Edgartown (the “Town”) on March 23, 2020 and, further, pursuant to the Governor’s COVID-19 Order #31 on May 6, 2020, which requires face coverings for anyone over the age of 2 years who is in a place open to the public and cannot maintain 6 ft. of physical distance from another person, we, the Edgartown Board of Health, Massachusetts (the “Board”), as authorized by M.G.L. c. 111, §§ 31 and 122, 310 CMR 11.05, and 105 CMR 300.200, hereby order (the “Order”) the following for the protection of the public health and safety and to mitigate the spread of COVID-19 within the Town:

- 1) All persons who are not exempt, as set forth below, shall wear a mask or cloth face covering (“mask”) over their mouth and nose when in public between the hours of 8:00 AM and 1:00 AM within the boundaries of the Edgartown COVID-19 Required Face Covering and Mask Area (the “Mask Area”). The boundaries of said Mask Area are described as follows and are as shown on the plan attached hereto:
 - *From a point roughly at the mid-point of the Chappaquiddick Ferry route in Edgartown Harbor;*
 - *Extending to the Chappaquiddick Ferry Landing, at the eastern end of Daggett Street;*
 - *Then along the north side of Daggett Street, and across North Water Street, about four hundred feet;*
 - *Then along the north side of North Water Street, roughly west about 100 feet to the corner of Simpson’s Way;*
 - *Then along the northern side of Simpson’s Way, crossing North Summer Street, and Pease’s Point Way North, a distance of about 850 feet;*
 - *Then along the northern side of Pease’s Point Way North, crossing Cottage Lane, Mill Street, Plantingfield Way, Oliver Street, and Main Street, a distance of about 1,250 feet;*
 - *Then along the southern side of Pent Lane to School Street, a distance of about 540 feet;*
 - *Then along the western side of School Street, to the south corner of Davis Lane, a distance of about 235 feet;*
 - *Then along the southern side of Davis Lane, crossing Summer Street and South Water Street, a distance of about 625 feet;*

- *Then along the boundary between 31 and 41 South Water Street, about 400' into the Inner harbor; and*
 - *Then along a line roughly northeast through the inner harbor back to the point of beginning.*
- 2) This Order shall apply to all places open to the public, whether indoors or outdoors. Use of medical grade masks is discouraged in order to avoid interfering with the supply of masks for medical workers and first responders. See this link for information on making a cloth face covering: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/DIY-cloth-face-covering-instructions.pdf>.
 - 3) Exception: Children under the age of 2 years should not wear masks. For children 2 years of age or older, a mask should be used if possible and at the discretion of the child's parent or guardian. Parents who elect to fit their children with masks should be certain it does not obstruct or impede a child's ability to breathe.
 - 4) Exception: This Order shall not apply to persons for whom a mask would cause impairment due to an existing health condition, or persons requiring a reasonable accommodation/modification as a result of a qualifying disability as required by the Americans with Disabilities Act and/or any applicable laws of the State, including those who cannot breathe safely; those who, due to a behavioral health diagnosis, are unable to do so; those communicating with people who rely upon lip-reading; and those who require supplemental oxygen to breathe.
 - 5) Businesses shall not allow a patron to enter their establishment who is not wearing mask, unless the patron qualifies for an exemption. All businesses shall post a sign on their main entrance doors advising consumers or patrons that it is mandatory that the consumer or patron entering the business or establishment wear a mask. All business shall be responsible for requiring and overseeing that patrons waiting or queued to enter their place of business wear a mask while waiting.
 - 6) This Order shall be effective beginning Friday, July 10, 2020 at 8:00 AM and remain in effect until notice is given, pursuant to the Board of Health's judgment that this Order is no longer necessary or the COVID-19 Massachusetts State of Emergency is suspended, whichever occurs first.
 - 7) Pursuant to the authority identified in first the paragraph of this Order and M.G.L. c. 111, § 30, the Board's Health Agent, Board of Health members and other agents designated by the Board shall have the authority to enforce this order as necessary. The designated enforcing authorities may call on the support of the Town's Police Department if necessary.
 - 8) Whoever violates any provision of this Order, including businesses, may be penalized by a non-criminal disposition ticketing process as provided in M. G.L. c. 40, § 21D, and Section 1-3 of the Town's Code authorizing noncriminal disposition of offenses or violations of town regulations.
 - 9) If an agent of the Town with authority to enforce this Order elects to employ the non-criminal disposition procedure, then a person who violates any provision of this Order shall be subject to a penalty in the amount of fifty

dollars (\$50) for a first offense; one hundred dollars (\$100) for a second offense; two hundred dollars (\$200) for a third offense; and three hundred dollars (\$300) for a fourth or subsequent offense. Each day or portion thereof shall constitute a separate offense. If more than one violation is determined, then each condition violated may constitute a separate offense.

- 10) Notwithstanding the foregoing, agents, officers and town authorized ambassadors are encouraged to educate offenders and to exercise their judgment on a case-by-case basis, and have the discretion to issue verbal or written warnings as a measure before determining that a finable offense has occurred.
- 11) The Board may enforce this Order or enjoin violations thereof through any lawful process, and the election of one remedy by the Board, or other agents of the Town, shall not preclude enforcement through any other lawful means, including injunctive relief and/or civil fines under M.G.L. c. 111, § 122.

Ordered by the Edgartown Board of Health this 9th day of July, 2020.

The Edgartown COVID-19 Required Face Covering and Mask Area is described as follows:

*From a point roughly at the mid-point of the Chappaquiddick Ferry route in Edgartown Harbor,
Extending to the Chappaquiddick Ferry Landing, at the eastern end of Daggett Street;
Then along the north side of Daggett Street, and across North Water Street, about four hundred feet;
Then along the north side of North Water Street, roughly west about 100 feet to the corner of Simpson's Way;
Then along the northern side of Simpson's Way, crossing North Summer Street, and Pease's Point Way North, a distance of about 850 feet;
Then along the northern side of Pease's Point Way North, crossing Cottage Lane, Mill Street, Plantingfield Way, Oliver Street, and Main Street, a distance of about 1,250 feet;
Then along the southern side of Pent Lane to School Street, a distance of about 540 feet;
Then along the western side of School Street, to the south corner of Davis Lane, a distance of about 235 feet;
Then along the southern side of Davis Lane, crossing Summer Street and South Water Street, a distance of about 625 feet;
Then along the boundary between 31 and 41 South Water Street, about 400' into the Inner harbor
Then along a line roughly northeast through the inner harbor back to the point of beginning.*

Intended to include all public ways (including waterways, streets, sidewalks, docks, and paths), public parks, public buildings, and all other outdoor areas intended to be accessible to the general public.

See Map illustrating the Mask Area subject to these regulations on the next page.
