FAQs

Who can track their ballot?

All registered voters in Massachusetts will automatically receive an application to apply for a mail-in ballot. Voters may return these applications in order to receive a ballot by mail, or may choose to vote early in-person or on Election Day. Mail-in ballots may be returned by mail or delivered to one of two official ballot drop boxes located at the front Edgartown Town Hall as well as in the lobby of Town Hall. If you have requested a mail-in ballot, no matter how you return your ballot, you may track its progress and know when it has been safely received for counting!

How does Track My Ballot know where my ballot is?

Track My Ballot takes the information directly from the Voter Registration Information System that is used by all towns and cities in Massachusetts, the same information the Town Clerk's office uses to track the ballots it issues and receives back.

I cannot find any record of my ballot, but I know I applied?

If you live at "123 Main Street" and have entered your address but nothing comes up, try using "ST" instead. Avenues, Streets, Lanes, etc. are entered in the system by their acronyms.

If you have any other Election questions, please call the Edgartown Town Clerk's office at (508) 627- 6110
