

Case # 26-2021
Date Filed: 25 May 2021

DECISION OF THE ZONING BOARD OF APPEALS
ON THE REQUEST FOR A SPECIAL PERMIT

Owners/Applicants: Steven & Robin Angelilli
Book: 841 Page: 379

At a meeting held remotely via Zoom on Wednesday, 7 July 2021, the Edgartown Zoning Board of Appeals voted unanimously (5-0) to grant a special permit under section 10.1 G of the zoning bylaw to permit the construction of a two-bay garage with storage above on a preexisting, nonconforming lot as shown on the site plan, elevations, and floor plans dated 25 May 2021 and submitted with the application. The property is located at 9 Cassandra's Path (Assr. Pcl. 34-71) in the R-120 Residential District.

FINDINGS:

1. The only nonconformity is the size of the lot, which is just under an acre in a district where three acre are required for a conforming lot. However, the proposed two-bay garage with storage above will conform to all setbacks and height restrictions of the R-120 District.
2. There were no objections to the project from any town boards or departments or from any abutters.
3. The board found the proposed construction to be site appropriate and in harmony with the general purpose and intent of the bylaw and determined that the project would not have a negative effect on the neighborhood.

This decision of the Board of Appeals and a record of proceedings are on file in the Zoning Board office and in the office of the Town Clerk, Town Hall under Case No: 26-2021.

Zoning Board of Appeals,

Lisa C. Morrison, Assistant
