

**Edgartown Board of Assessors – April 16, 2021**

Present: Alan Gowell, Chairman of the Board; Chris Scott, Member of the Board & Donna Goodale, Member of the Board

Also Present: Patti Roads, Principal Assessor & Alex Cervone, Administrative Assistant

Zoom Meeting ID: 852 2778 9986

Meeting convened at 10:00 A.M.

Steve Ferreira from Vision will be coming to review the sales analysis. This will be paid for by funds outside of the department, provided by the administrator's office.

The RFP on Katama Farm has been extended, as there is no lessee, yet. However, this office provided information confirming the potential for abatements/exemptions falling under Chapter 61A/B.

Nearmap has reached out to all of the assessor's on the island pitching an aerial imaging package that would be much more detailed than what exists now. The service would cost \$6,000 a year and the information available would be acceptable to use for cyclical visits by the DoR. More research will be done on this and a decision will be made at a later date.

The next board meeting has been scheduled for Monday April 26, 2021 at 2:00 PM.

The board made a motion to move into executive session, all in favor, approved.

Respectfully submitted:

Alex Cervone  
Administrative Assistant to the Principal Assessor
