

FY23 MVLEC IT RFP Ad

As part of a cooperative procurement for use by the participating members of Martha's Vineyard Law Enforcement Council (MVLEC), Town of Edgartown is soliciting sealed proposals for the procurement of services related to Technical Operations Management, Systems Administration and Support for the Martha's Vineyard Public Safety Information System. This RFP and agreement require an onsite commitment throughout Dukes County. Legitimate and capable service providers please request Proposal Documents from [jsmyth@edgartown-ma.us](mailto:j Smyth@edgartown-ma.us). No phone calls, please. RFP Response Date is Monday, May 2, 2022 at 2:00PM EST

The Request for Proposal is designed to solicit sealed proposals pursuant to M.G.L. Chapter 30B. The RFP requires providing management and administration services to operate, maintain and develop systems and services in support of the Martha's Vineyard Public Safety Information System, at a competitive and reasonable cost. The awarded provider will be responsible for all hardware, software, services and support, as defined within the proposal documents. A description of the technical, management and administrative services to be provided and an associated fixed cost schedule must follow the proposal response templates.

If you are intending to submit a proposal to the MVLEC Services RFP, you must send an E-mail to:

Town of Edgartown

Jennifer Smyth, Procurement Officer

[jsmyth@edgartown-ma.us](mailto:j Smyth@edgartown-ma.us)

Subject line to read: MVLEC Services Provider [short name of organization]

Provide Organization name and address, contact name, email and phone number for someone authorized within your organization that can respond to inquiries.

You will receive a confirmation within 24 hours during the normal business week, if you do not receive the response it is the provider's responsibility to get the confirmation. Town of Edgartown will not be responsible for email delivery.

The confirmation will have a Non-Disclosure Agreement (NDA) and several questions to validate your organization as a legitimate and capable service provider. After verification, you will receive our RFP documents, Templates, updates and notifications as related to this RFP. Our templates must be used in the response to this RFP.
