Affordable Housing: Submitted by Arielle Faria:

The Affordable Housing Committee held one meeting in the month of February.

At the February 15, 2022 meeting the Committee discussed and voted to promote the administrator to Municipal Housing Manager effective immediately after approval from the Trust. The Committee was updated on the progress of the Meshacket project and briefly discussed and approved a refinance for 37 Teaberry Lane.

Conservation Agent: Submitted by Jane Varkonda:

February 9, 2022: Eiffel Nominee Trust – Construction and maintenance of an addition to an existing dwelling, new garage, swimming pool, septic and related landscaping; Santana – trim, prune and remove vegetation in a view corridor and landscaping adjacent to the house; Vineyard Vibes – replace an existing single family dwelling with new dwelling, pool and poolhouse; Sissleman – construction of a house, garage, swimming pool, garage, septic and site improvement including significant grading to get the house above the 100 year flood zone.

The Commission approved the Annual Scoops 5k at Katama Farm. The Commission approved a 30 day extension of the TTOR lease for the educational programming at Katama Farm. Commission Gibbs noted that the flag pole, surf boat and Whale Tail down next to the Anchors needs some work. Varkonda noted that she would reach out to the person who has worked on the items before for an estimate. The Commission reviewed and approved a revised fee schedule.

<https://edgartown-ma.us/>

February 23, 2022: Edgartown Golf Club –construction of a duplex unit for employee housing; Roberts and Park – construction and maintenance of a dwelling, garage, pool, pool house, septic, well and associated landscaping; Santana – construction of a house, septic, and associated utilities and landscaping.

With a temporary lull in the volume of office paperwork, the Agent was able to inspect several ongoing and previously completed construction projects which revealed multiple violation of permits issued by the office. Several were direct alteration of wetlands. The Agent continued to supervise the nourishment of Norton Point and the Left Fork and the relocation of the bath house further landward. The Commission’s assistant researched and proposed a new fee schedule for permits and other actions issued by this office. The Agent participated in the Cape Poge DCPC Committee meeting and regularly attended the Dredge Committee and Fishermen’s Landing Committee.

February 2022 marked another milestone for the ECOA as we were able to welcome people back into our building for in-person programming.

Our meals program continued to be a takeout operation, and we maintained our meal delivery program for our most vulnerable residents. Our exercise class instructors and participants were probably the most enthused with this change in offerings, and our building once again filled with the sounds of older adults enjoying the sense of community that we share at the Anchors.

We continued to host regular piano recitals (via Zoom) by Adele Dreyer and Michael Haydn, and these proved to be very popular and enjoyable. We hosted two book talks by local authors Tom Dresser and Carolyn O'Daly. Our conversations group welcomed the change to the in-person setting, and it continues to be a constant thread in our programming.

We continue to make plans for the warmer months, when we hope to take participants to Boston and back to Nantucket for some fun and memorable experiences.

Energy Committee: Submitted by Alan Strahler:

- The Energy Committee met on February 3. Discussions included (1) applications for the new Town Climate Committee; (2) status of the requested improvements to the committee's web page on the Town website; (3) status of the Green Community Application and of its Energy Reduction Plan and Fuel Efficient Vehicle Policy; (4) status of installation of Level-2 chargers at the town Park and Ride lot; and (5) status of the request for Free Cash for a DC fast charger for electric vehicles. The committee was also updated on revised Edgartown School lighting savings measures and leasing of the Town's closed landfill for solar power development.
- Committee Chair Alan Strahler attended a virtual meeting of the Cape Light Compact as the board member representing Edgartown on February 9.
- Also on February 9, Alan presented the Energy Reduction Plan and Fuel Efficient Vehicle Policy to the School Committee for their approval, as required for the Town's Green Community application. The School Committee voted unanimously to approve the plan and policy.
- At the Selectboard's meeting of February 14, Alan presented the Fuel Efficient Vehicle Policy for approval. The policy was approved unanimously.
- On February 16-19, Alan and Committee Members Kat Monterosso and Jack Ensor attended various meetings and workshops presented by consultants for the Edgartown Master Plan.
- On February 25, Alan convened the first meeting of the Edgartown Climate Committee, presiding over the election of the committee's chair. He will continue to serve as an advisor to the Climate Committee as requested.

Historic District: Submitted by Brique Garber:

The HDC held meetings on February 3rd & 17th.

The Commissioners considered on 7 applications:

The meetings were held through (Zoom) and hosted by Doug Finn. The HDC plans to continue by remote access for the foreseeable future as approved by the Legislature. Both the Commissioners and the applicants have expressed approval for the remote meeting format. The month of February had fewer applications than 2021, which may be due, in part to the cost of materials. Several members of the HDC attended a site visit on an application for demolition of a historic house on Indian Hill Road in West Tisbury at the invitation of the Marthas Vineyard Commission.

Applications reviewed in February 2022:

- 60 Cooke St. – remove, move and replace garage. Sent to Public Hearing.
- 17 Mill St.- Edgartown Commons. Windows. Approved
- 15 Mill St. Edgartown Commons. Reconfigure exterior stairway. Approved
- 74 South Water St. Public Hearing. Solar array. Approved.
- 71 Davis Lane. Public Hearing. Renovation and addition of Carriage House. Approved.
- 61 North Water St. Public Hearing. Demo. Garage not rebuilt. Approved.
- 55 Cooke St. Pre application discussion re: possible demo and rebuild.

In addition the following addresses received expedited approvals for minor repairs and replacements:

- 27 N. Water St. - Shingles
- 39 Cottage St. – Replace windows in kind.
- 33&46 Main St. Behind the Bookstore - Seasonal installation of canvas sails and awning (as previous years)
- 15 Church St. – Change frosted glass to clear, flower box & paint.
- 99 Main St. Dr. Daniel Fisher House – Repairs to porch, fire escape and window re-glazing .

Edgartown Park Department February 2022

- Left Fork Dune Restoration Project.
- Seasonal advertisements.
- Meet with Recreation Area Consultants.

Edgartown Cemetery Department February 2022

- Two burials in the month of February.
- One lot sold in the month of February.
- GIS New Westside Mapping project with MV Commission continued.

Planning Board: Submitted by Alex Cervone

The Planning Board met once in February on the 15th. Meetings continued through remote participation, in accordance with Chapter 53 of the Acts of 2020.

Planning Board Business:

The Board continued a public hearing relative to a request to construct and operate a Senior Residential Facility, comprised of a seventy (70) bedroom skilled nursing facility, to be contained within five (5) "houses", each of - which will have fourteen (14) bedrooms; also to construct a seventy-six (76) bedroom Workforce Housing complex, consisting of seven (7) structures; also to conduct site activities including clearing of land, grubbing, grading, filling, trenching, installation of utilities, construction of support structures, roads and parking areas, construction of paths, lighting,

and landscape elements, and all other work necessary thereto. Quorum was not established and it was decided to continue the public hearing to March 1, 2022 at 5:30 PM.

The Board reviewed a request for endorsement of ANR plan for Arch Building & Home Development and Vasiliadis Realty Trust. After review, the Board agreed to endorse the plan as not requiring approval under the Subdivision Control Law. The properties are located at Assessor's parcels 44-10.3141 & 44-10.3142.

The Board reviewed a request for De Minimis Determination for Terrence P. McCourt, Trustee. After a presentation and deliberation the Board voted to deny the request as the changes were too substantial from the original plan. Applicant will need to present new plan at a public hearing at a date to be determined. The property is located at 85 Chappaquiddick Road, Assessor's parcel 30-63. Public Comment Welcome

The Board continues to welcome input and participation from the public. Comments may be submitted through the Town's website, or by calling the Planning Office at 508-627-6170

Shellfish: Submitted by Rob Morrison:

February 2022 saw license holders participating in a variety of fisheries during the month. The two primary fisheries were the commercial bay scallop fishery in Cape Pogue, and the commercial oyster fishery in Sengekontacket.

License holders participating in the commercial scallop fishery have their catch checked and recorded daily by department staff at North Wharf. The Sengekontacket oyster fishery was created by the Shellfish Department through their annual propagation effort. 500,000 oyster seed are grown by the department annually. These oysters are distributed throughout Sengekontacket to be harvested both recreationally and commercially. Commercial oyster catch is recorded in 100 count bags.

Recreational fishing for shellfish species including bay scallops, steamer clams, quahogs, and oysters took place in all Edgartown bodies of water open to fishing. Participation in recreational shell fishing is typically low in February Due to weather conditions.

The month of February saw an increase in commercial Bay Scallop landings from January. This was due to weather and temperature allowing fisherman more fishable days.

The following are the landings recorded for Commercial Shellfish Permit holders during the month of February 2022:

Bay Scallops (Cape Pogue)..... 549 bushels*
*Estimated wholesale value..... \$104,220

Oysters (Sengekontacket).....382 bags*
*Estimated wholesale value.....\$13,370

Recreational Shellfish Landings February 2022:

Oysters.....15 bushels
Steamer Clams....5 bushels
Quahogs.....10 bushels
Bay Scallops.....16 bushels

Recreational Shellfish Landings January 2022:

Oysters.....10 bushels
Steamer Clams....2 bushels
Quahogs.....5 bushels
Bay Scallops.....12 bushels

Wastewater Department: Submitted by William Burke:

Chief Operators Report, February 2022

Flow for February 2022 was 3,052,874 gal. Effluent flow gal for February 4,585,714 2022... Total N was 2.84 mg/L and 3.88 mg/L for a monthly average of 3.36 mg/L reported to DEP. Septage for the month was 20,774 gallons.

- Fri 4 – Review customer plans.
- Sat 5 – SSO on Dock St. responded to, repaired, and reported to DEP.
- Mon 7 – File DEP report. Review customer plans for WW Comm meeting.
- Tue 8 – Collect and send monthly lab samples. Perform fecal coliform sampling. Review customer plans information for WW Comm.
- Wed 9 – Meet with customer for sewer connection review.
- Mon 14 – Snow storm response.
- Tue 15 - Coordinate significant repair to customer infrastructure – loan new panel and EQD cable for immediate repair.

- Wed 16 – CPR/AED training for operation staff at EFD.
- Thurs 17 – Collect and send monthly lab samples. Meet with contractor for plant repair work.
- Fri 18 – Meet to review Church St./Visitors center progress. Compile and send information to Engineer for affordable housing project.
- Tue 22 – Perform fecal coliform sampling.
- Thurs 24 – Perform monthly well sampling. Emergency response – pump out, flush, and repair customer duplex pump chamber due to grease trap overflow.
- Fri 25 – Snow storm response.

Water Department: Submitted by William Chapman:

- Five water services were installed, with several more applications for service reviewed.
- Monthly bacteriological and quarterly samples were collected and analyzed.
- The results of the most recent PFAS6 samples were received with all wells showing free of PFAS6 contaminants.
- A water main extension on Davis Lane was completed. As a result, a new fire hydrant was added to the distribution system.
- All facilities were cleared of snow during and after the snowstorm.
- The relocated water main on Church Street is complete, has passed all applicable requirements and has been placed in service.
- Our S.C.A.D.A. system received a major upgrade to improve the redundancy of automated operation. Additionally, two more radio frequencies were secured to add increased reliability in the radio transmitted data.
- The Water Department was included in a discussion on a proposal to extend water mains in a strategic manner through the state forest to provide fire protection. The discussion revealed that there are other potential advantages to the proposal including an additional interconnection with Oak Bluffs Water District and looping the western edge of the water system.
