TOWN OF EDGARTOWN, MASSACHUSETTS
ADVERTISEMENT FOR REQUEST FOR PROPOSALS
HYDRAULIC POWER UNIT AND CONTROL PANEL
RFP # WW-22-05

The Town of Edgartown is requesting proposals from qualified equipment vendors to furnish a hydraulic power unit and control panel for driving the piston pump, valve actuation and twin-screw auger which are integral components to their sludge dewatering system. A Request for Proposals (RFP) describing the vendor's scope of supply, qualifications, and other requirements will be available on May 5th, 2022 from the Tighe & Bond website located at http://www.tighebond.com/Projects_Out_to_Bid.php. Prospective bidders are required to register on the Tighe & Bond website to download documents.

RFP documents shall be available for viewing only at the office of Tighe & Bond, 120 Front Street, Suite #700 Worcester, MA 01608 between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, legal holidays excluded.

Proposals may be hand delivered to the Edgartown Wastewater Department at the Wastewater Treatment Facility located at 330 Edgartown Road Edgartown, MA 02539 between 7:00 AM and 3:00 PM Monday through Friday, excluding holidays or mailed via USPS to Edgartown Wastewater Dept, PO Box 1068, Edgartown, MA 02539, or sent via UPS or FedEx to Edgartown Wastewater, 330 West Tisbury Road, Edgartown, MA 02539. Please note that overnight and 2-day services do not guarantee timely delivery on Martha's Vineyard. Submissions should be sealed and clearly marked "Edgartown Hydraulic Power Pack and Control Panel". Proposals shall be accepted until 1pm on May 26th, 2022. Non-price Proposals will be opened and evaluated by the review committee at the time they are due. A contract award will be made within 5 business days. A register of proposers will be made public during the evaluation process. All proposals will be made public when the evaluation process is complete, or at the time for acceptance specified in the RFP, whichever occurs first.

This Request for Proposals (RFP) is in accordance with by M.G.L. Chapter 30B § 6 for the procurement of goods and services. Respondents shall submit separate proposals for the technical and cost elements as described in the RFP. Following the submittal of proposals, technical proposals will be evaluated in accordance with the criteria stated in the RFP by the person(s) designated by the Chief Procurement Officer to perform such evaluation(s). Once proposals are evaluated, the evaluations shall be submitted to the Chief Procurement Officer, who shall open price proposals and award an Agreement, if at all, to the responsive and responsible vendor whose proposal is deemed the most advantageous, taking into consideration price and the evaluation criteria included in the RFP. The successful vendor shall furnish the equipment and services necessary to meet the requirements of the RFP.
