

Coyote Talk with Dan Proulx

Saturday,
February 4th
from 10am-
11:30 at the
Ag Hall

Coyotes have been spotted on trailcams across the Island, from Aquinnah to Edgartown. In this talk, Dan Proulx, problem animal control agent and wildlife rehabilitator at Dan's Wildlife Rescue, will discuss what he's learned about coyote behavior and describe how to keep yourself and your animals safe. This talk will interest anyone concerned about coyote presence on-Island. FREE, email 4h@mvagsoc.org or call 508-693-9549 to RSVP.

Co-sponsored by the Martha's Vineyard
Agricultural Society and Tisbury Animal Control.
