

Case # 27-2023

Date Application Filed: 8 November 2023

DECISION OF THE ZONING BOARD OF APPEALS
ON THE REQUEST FOR A SPECIAL PERMIT

Owners/Applicants: Steven A. & Dale M. Hall

Book: 65 Page: 231

At a meeting held remotely via Zoom on Wednesday, 29 November 2023, the Edgartown Zoning Board of Appeals voted unanimously (5-0) to grant a special permit under section 10.1 G of the zoning bylaw to permit the construction of (a) a living room and deck addition to the existing main house and (b) a detached two-car, one story garage - all as shown on the plans dated 28 September 2023 by Sullivan & Associates. The property is located on a preexisting, nonconforming lot at 59 Dodgers Hole (Assr. Pcl. 10-57) in the R-60 Residential District.

FINDINGS:

1. The only nonconformity is the size of the lot, which is located in a neighborhood of similarly sized, preexisting nonconforming half-acre lots.
2. The proposed additions meet all setbacks and height restrictions of the R-60 District.
3. There were no objections to the project from any town boards or departments or from any abutters.
4. The board found the proposed additions to be appropriate and in harmony with the general purpose and intent of the bylaw and determined that the project would not have a negative effect on the neighborhood.

No additional conditions were placed on the permit

This decision of the Board of Appeals and a record of proceedings are on file in the Zoning Board office and in the office of the Town Clerk, Town Hall under Case No: 27-2023.
