

Edgartown Dredge Committee Meeting Minutes

OCTOBER 16, 2017

At a joint meeting with the Board of Selectmen on Monday, October 16, 2017, with Dredge Committee members Ed Handy, Howell Kelly and Dudley Levick present, Ed informed the Selectmen that the new dredge has arrived and is currently at North Wharf. Mr. Donaroma inquired as to the areas that will be dredged this season, Ed informed him that Fuller St. Beach will continue to receive nourishment until we can complete the Lighthouse Beach dredging/nourishment project.

After the Selectmen's meeting was adjourned, the Dredge Committee reviewed invoices and authorized payment of the bills. They discussed the ACOE Work Start notification form and asked Juliet to send in for a dredging start date of 11/1/17. The Committee discussed the Menemsha Channel dredge project.

Ed adjourned the meeting at 4:30pm.
